**MOTHERS’ TESTIMONIALS**

**LATIFA MATERNITY AND PAEDIATRIC HOSPITAL**

*“I was advised to deliver at Latifa as I had a high-risk twin pregnancy and Latifa’s NICU is rated as the best in Dubai. I was blown away by the care. I cannot thank the staff at Latifa enough.”*  
– Rushda Sami

**AL ZAHRA PRIVATE HOSPITAL**

*“I chose Al Zahra because of its openness to natural births and hypnobirthing. I had a drug-free birth, the staff paid attention to our birth plan, and my husband was able to dim the lights, place some candles, and play music.”*  
– Leslie Darnley

**AMERICAN HOSPITAL**

*“I delivered all three of my babies in Dubai, and the American Hospital was by far the most positive experience. It was clean and peaceful with skilled midwives and a jolly anaesthetist who put me at ease during the epidural.”*  
– Daisy Wilson

**MEDICLINIC CITY HOSPITAL**

*“Because of a blood condition I needed to deliver at a hospital with an ICU, and City was the only one that would take me at 32 weeks. I’m so glad it did as the facilities were great and I found it to be clean, professional and efficient.”*  
– Zoe Cairns

**INTERNATIONAL MODERN HOSPITAL**

*“As a first-time mum, I had a million questions about pregnancy and giving birth. Thanks to the wonderful team at IMH, both of those things were pure bliss. Hats off to the staff, whose main goal was our safety and happiness.”*  
– Mariya Ben
